

**WYJC Aspiring Futures – Community Sports Project – Mini Judo Festival held on 5th JULY 2014
At Hilton Hall Community Centre, Hilton Road, Lanesfield, Wolverhampton, Contest Photographs**

Thanks to funding received from the (CDF) Community Development Foundation via the Spring Vale Community First Panel, we managed to replicate our successful community based judo training and judo competition programme (that we held during 2012 Olympic Year).

This funding helped us to provide extra classes and for us to host our community judo festival – mini judo competition at Hilton Hall.

The following photographs show the real benefactors of this project, with over 50 youngsters (from nine schools and three schools judo clubs) participating in this year's project.

Our project Aim:
to provide opportunity for youngsters to Aspire and Develop in the Olympic Sport of Judo".

Many Thanks to ALL of our Sponsors & Volunteers, and to all of the Parents , Grand Parents, Guardians, Siblings, Family members who supported their sons, daughters and friends (as spectators and taxi-drivers, etc, etc).
"Thank You, one and ALL"

On behalf of the Coaches and Members of WYJC, I would like to take this opportunity to thank everyone who made this event possible. Once more, many thanks to Spring Vale Community First Panel (for our Community Development Foundation Grant). Many thanks to the following Volunteers for all of their hard work and support on this project.
