

Hilton Hall Community Association 2015 ~ FREE Cycle Repair & Maintenance Sessions with Dr. Bike 1st Session 24th April 2015

As part of our ongoing Community Cycle Safety Initiative, and with the help & support of Lee (aka Dr. Bike) from Cycle ActiFit, we have organised a series of FREE Bike Safety Checks and Cycle maintenance guidance sessions at Hilton Hall Community Centre BMX Track. The first of these sessions was held on Friday 24th April 2015. Lee repaired several punctures and fitted / replaced brake and gear change Cables, adjusted several Gear change mechanisms (including my Son's Bike), as well as checking over Bikes bought in by local youngsters and adults alike. The following photos show Lee as he set up his 'Bike Repair Area' next to the BMX Track on the First Session held on April 24th.

Hopefully, we should have a few more photos to include over the coming Months. If you do have any photographs of any of these sessions, please pass them on to Lee, or post them through the Letter Box at Hilton Hall Community Centre. Thanx !

Hilton Hall

Dr Bike is a **Free** bike safety check that also provides minor maintenance & adjustment
Parts & Recycled Bikes are also for sale
