

Hilton Hall Community Association Hosted the Prince's Trust Staveley Team 280 Volunteers Presentation & Awards Night 26th June 2015

On Friday 26th June 2015 Hilton Hall Community Association Management Team were pleased and proud to 'Host' The Prince's Trust Staveley Team 280 Volunteers Awards Ceremony and Presentation Evening. This event was organised to mark the end of their Twelve Week journey of Self-Improvement, Empowerment and Qualifications for the members of Team 280 Volunteers.

Prince's Trust Team Leaders Nicola & Karl planned this Presentation Evening as a Celebration of The PT Volunteers participation and involvement in ALL of the Community activities and training. And, for them to Share their experiences, their development and their Award Ceremony with members of 'Their' Family and Friends, and to provide an opportunity for the PT Volunteers to 'Thank' the Prince's Trust Lead Partners for their support, help and time in this whole process.

Prince's Trust Staveley Team 280 Volunteers Line-up (left to right) Trish, Emma, Sean, Liam, Simon, Pria, Brandon & Joe (Aaron missing from photo)
The Poster on the Left was done by Simon (with some help from his brother).

"CONGRATULATION AND MANY THANKS TO ALL OF THE MEMBERS OF TEAM 280 VOLUNTEERS"

The Prince's Trust Staveley Team 280 Leaders; Nicola and Karl organised and ran one of the most impressive presentation / award ceremonies that I have ever seen. The presentation was innovative and took the form of a popular TV 'Game Show', where two teams were 'Quized' over activities carried-out over the last twelve week of the Community Volunteering programme.

The two Teams were: 1) the Prince's Family & 2) the Trust Family. Following this enjoyable show, each member of Team 280 presented their own story, reading-out their individual experiences and expectations, and explaining how they got involved with The Princes Trust, and how this whole experience had turned-around their lives. Clearly, everyone of these young volunteers expressed overwhelming positive feedback and praise for the opportunities given to them via The Prince's Trust – Staveley Project.
