

**HILTON HALL COMMUNITY ASSOCIATION: A TYPICAL LITTER PICK AT HILTON HALL PLAYING FIELDS CARRIED-OUT ON WEDNESDAY 17th AUGUST 2016**

Unfortunately, we have a Litter Problem in Lanesfield (well, in fact, this is not just a Lanesfield problem; it's a City Wide Problem). I really do not understand WHY people are so inconsiderate and have no respect for 'Their Community' and for the Facilities made available to them????? We have maintained and developed these Playing Fields for 'EVERYONES' enjoyment and use but despite our efforts, the problem persists.

Litter is not a 'New Problem' in our Area, it's been happening each and every Week for YEARS!!!! Litter All over the Lanesfield Estate. Litter All over the Springvale WARD, and; Litter ALL over the CITY. But . . . the Amazing 'Thing' is 'WE' (the Hilton Hall Community Association Management Team) have been doing our regular LITTER PICKING and TIDYING-UP after these Litter Louts ever since we took over the Lease for Hilton Hall and the Hilton Playing Fields and Open Spaces.

Check-out our Twitter site @hiltonhallcc

**And this lot (Above photos), represents a typical amount of Litter discarded each and every week.**

**After the above load of rubbish was 'Picked' today by the Hilton Hall Management Team, the Fields and BMX Track once more look GREAT. Free from Litter, Neat and Pristine again - At least for the next couple of hours, that is!**
